

321Trans - SITE ACTIVATION

You will need to activate your license in order to be able to use PHP Pro Bid.
Please follow this [[link](#)] to login to the clients area of **phpprobid.com**

You will need to complete the following details on the SITE ACTIVATION page in order to get a valid license.

Please note that all requests are logged to prevent any abuse and we can disable your license at any time.

Users that abuse the licensing service by requesting keys for unlicensed sites will have their membership cancelled.

IMPORTANT: Each license key is only valid for one installation.
